WORK EXPERIENCE

As a frontend developer, I have worked on multiple self-initiated projects that have helped me build a strong foundation in HTML, CSS, JavaScript, and responsive web design. While I do not have formal work experience or internships, I have developed real-world projects that showcase my ability to design and develop engaging user interfaces. These projects reflect my commitment to writing clean, maintainable code and continuously improving my skills. I am eager to contribute to a professional team where I can apply my knowledge and grow as a frontend developer.
